

Dialogue with other **managers and researchers** about how your business can **adapt** its strategies to **climate change!**

Knowledge Forum on Business Adaptation to Climate Change

Friday, November 28, 2008

Calgary Chamber of Commerce, Calgary, Alberta

in partnership with

The *Research Network for Business Sustainability*, in partnership with the *Richard Ivey School of Business*, will bring together more than 70 professionals from academia, industry, government and non-governmental organizations to provide an environment for **interactive learning and networking**.

This forum will include facilitated dialogue workshops in which **participants will learn from each others' experiences**. Additionally, the following four speakers will present their expertise between the dialogue workshops.

- **Dr. Robert Page**, Chair, National Roundtable on the Environment and the Economy (NRTEE)
Context, Challenges, and Potential Solutions
- **Dr. Jonatan M. Pinkse**, Professor, Amsterdam Business School
An Overview of Business Responses to Climate Change
- **Dr. Monika Winn**, Professor, University of Victoria
Organizational Resilience to the Physical Impacts of Climate Change
- **Allan Amey**, Senior Fellow, ICF Consulting Canada, Inc.
Policy, Technology, and Economics of Adaptation

Seating is limited.
