Financing your Ivey MBA Degree

IVEY SCHOLARSHIPS

Richard Ivey School of Business provides scholarships for a number of our exceptional students, thanks to the generosity of individuals, corporate and foundation donors, and the School. Ivey MBA applicants are automatically considered for approximately \$1.2 million in scholarships by completing the Financial Aid section of the Ivey MBA application. The selection criteria may include outstanding academic merit, compelling leadership, and exceptional professional experience. Scholarship recipients will be notified in their MBA admission offer package. Typically 50% of the MBA class receives an award, with the average being approximately \$15,000. For more information on Ivey Scholarships, please visit www.ivey.uwo.ca/mba/finances.

EXTERNAL SCHOLARSHIPS

Students are encouraged to explore outside funding resources including : www.Studentawards.com, www.iefaf.org and www.ScholarshipsCanada.com. In addition, the Ivey Financial Aid Office will make candidates aware of relevant external scholarship opportunities on an ongoing basis.

PROVINCIAL GOVERNMENT LOANS

Canadian citizens and permanent residents studying in the Ivey MBA program are eligible for student government loans. Loans are repayable upon graduation, but interest payments are covered by the government as long as the student is in the MBA Program. You do not need collateral or a co-signer. Students may apply to their province of residency. For more information, please visit www.ivey.uwo.ca/mba/finances.

PRIVATE PREFERRED BANKING PROGRAMS

The Ivey MBA is an investment, requiring the majority of candidates to secure private financing. We have developed attractive loan packages for Ivey MBA candidates in partnership with the following Canadian banks – BMO Bank of Montreal, Scotiabank, Royal Bank, and TD Canada Trust. Typically, these programs are available to Canadian citizens and permanent residents, but every situation is different. We encourage you to compare the terms and fees of all student loan products to determine which best suits your needs. Please see further details at www.ivey.uwo.ca/mba/finances.
