

FINANCING YOUR IVEY HBA DEGREE

The Ivey Financial Aid office is committed to helping you make informed decisions as you explore your financing options.

Scholarships and Awards

Ivey Business School provides scholarships for a number of our exceptional students, thanks to the generosity of individual, corporate and foundation donors. All students who complete the “Apply for Awards” section of their Ivey HBA application will be considered for \$1.2 million in scholarships and awards. (No need to apply for individual awards, once you’ve completed the apply for awards section you will be considered for all admission scholarships and awards).

The awards are both for merit and financial need (as assessed on the Western bursary application). To view the awards typically available, please visit our website “[Award Finder](#)”.

Bursary Assistance

Bursaries are non-repayable grants based purely on financial need, administered from a special set-aside fund provided by Ivey. HBA students who are Canadian citizens or permanent residents may apply for this assistance through Western in both HBA1 and HBA2. The Western bursary application takes into consideration the actual tuition costs of the HBA Program. Bursary decisions are typically communicated 1-2 weeks following an offer of admission to the Ivey HBA, and submission of a bursary application through Western.

An Investment in You

An Ivey HBA is an outstanding investment. It is reported that 96% of the graduating class received offers of employment within three months of graduation, with an average total compensation of \$70,393.*

External Scholarships

Ivey HBAs have demonstrated leadership in extracurricular activities, commitment to their communities, and impressive international experiences. This combination of outstanding academic achievement and strong extracurricular profile makes HBA applicants very competitive for a variety of external scholarship opportunities.

Students are encouraged to explore outside funding resources including:

www.studentawards.com, www.iefaf.org and www.ScholarshipsCanada.com.

Government Loans

Canadian citizens and permanent residents studying in the Ivey HBA Program are eligible for student government assistance, repayable following graduation. Interest payments are covered by the government for those who remain in full-time studies. Students do not need collateral or a co-signer, and may apply to their province of residency. Links to provincial programs (such as Ontario's OSAP) are provided on our website.

Assistance is based on financial need as established by the government and as determined by the Ministry. Educational costs and family contributions are taken into consideration.
