**Line of Credit**

We have established strong relationships with BMO, RBC, TD, Scotiabank, and CIBC. All offer low competitive interest rate programs specifically for our MBA students. Students are only required to pay interest while in the program. Please visit our [website](http://go.ivey.ca/mbafinance) for more detail including bank representative contact information.

If you have an established relationship with one of these banks where you live and want to work with them, please be sure they review the website information and speak directly to one of our local representatives to be sure you are receiving the same rates.

We do recommend students contact more than one bank as it is the key to finding the best fit for you. We recommend that you apply no later than 60 days prior to the start of the MBA program.
