3. LEARNING EXPECTATIONS

Registration to courses:

- Courses can only be added/dropped during the official registration or add/drop periods. No changes will be admitted once those periods are over. Students are kindly invited to check in advance with their home universities which courses can be mapped or not.

Language of Instruction:

- Courses are taught in English and in Spanish.
- Students interested in taking courses taught in Spanish are highly recommend to have B1 level in Spanish language, according to the Common European Framework for Reference of languages (CEFR). We reserve the right to ask the official certificates as a proof of Spanish knowledge.

Course workload:

Incoming exchange students at ESADE are required to take the following workload:

- Students from European Universities:
  - min. 27 ECTS – max. 33 ECTS
- Students from Non-European Universities:
  - min. 23 ECTS – max. 33 ECTS

However, if the home university allows the student to take a lower amount of ECTS, ESADE can consider it. In that case, we would need to receive a written approval of the home university exchange coordinator.

4. EXTRA INFORMATION

Buddy System and Student Life:

The ESADE International Student Committee (CIEE) provides students with a bridge that spans academic and political borders: our activities include week-long exchanges with universities in Europe and Asia, and numerous get-togethers with exchange students.

Spanish Intensive Courses:

ESADE offers a Spanish intensive language course for all exchange students who want to learn or improve their Spanish. The Spanish Intensive Course takes place during the Orientation Program and grants 2 ECTS.

Entry VISA and Residence Permit:

EU citizens only need a passport or national ID in order to enter Spain. Non-EU citizens will need a Student Visa. When you apply for a Student Visa (Visado de Estudiante) you will be asked for the following documents:

- Passport (valid for at least 1 year from date of application)
- 2 Passport-size photos
- Proof of financial means
- Proof of medical/accident insurance to cover length of stay
- Letter of Acceptance from ESADE
- Other documentation, like proof of residence in Consulate’s jurisdiction, a medical certificate, or a certificate of absence of a police record may also be required.

The Spanish Embassy or Consulate in your home country will decide whether to issue a 90-day visa or a 180-day visa. For longer stays, you must apply for a 90-day visa and then apply for a Student Residence Card within the first 30 days of your arrival.

Please check the Exchange Student Guide and with the nearest Spanish Embassy or Consulate in your home country for more detailed information.
Health Insurance:

Exchange participants must arrive with their own health insurance that covers all international incidents. More information about health insurance could be found at the ESADE Exchange Student Guide, which is available on the intranet.
