

The Canadian economy: trade, trends, and forecasting the future

The Hon. Pierre S. Pettigrew

Executive Advisor, International,
Deloitte Canada

Pierre is Executive Advisor, International, at Deloitte Canada. He is also the Government of Canada special envoy for the Canada-European Union Trade Agreement (CETA). He has had success in both the public and private sectors. While a consultant at the Deloitte Montreal office from 1985-1995, he emerged as a strong voice for business on international trade issues and unity matters that brought him an appointment to the Federal cabinet in 1996.

Pierre served as a minister for 10 years, most notably as Minister of Human Resources Development, as Minister for International Trade and Foreign Minister. He represented in Parliament the Montreal district of Papineau, now represented by Prime Minister Justin Trudeau.

Pierre is on the Advisory Board of Forbes Manhattan, a Toronto-based private merchant bank specialized in commodities. He sits on a number of profit and non-profit boards. He is the only Canadian on the board of the Inter-American Dialogue in Washington. Pierre regularly arbitrates international trade disputes between countries at the World Trade Organization (WTO) in Geneva.

Craig Alexander

Partner and Chief Economist,
Deloitte Canada

Craig Alexander is the first Chief Economist at Deloitte Canada.

Craig has over 20 years of experience in the private sector as a senior executive and leading economist in applied economics and forecasting. He has previously held positions as Senior Vice President and Chief Economist at TD Bank Financial Group; Senior Vice-President and Chief Economist at The Conference Board of Canada; and Vice President Economic Analysis at C.D. Howe.

Craig has a strong background in macroeconomic and financial forecasting. He is a passionate public speaker who has crossed the United States and Canada discussing financial and policy issues facing the countries, as well as evaluations of their economies. Craig holds a graduate degree in Economics from the University of Toronto and a B.A. in Economics from Western.
