

Financing Your Ivey MBA Degree

The Ivey Financial Aid office is committed to helping you make informed decisions as you explore your financing options.

An Investment in You

An Ivey MBA is an investment in your future. We understand and appreciate the financial commitment required by you to pursue and earn your MBA degree. That's why applicants to the Ivey MBA Program will be considered for some of the **largest merit scholarship funding** in Canada with awards ranging from \$10,000 to half tuition.

Our MBA students achieve their professional goals. With coaching and support provided by Ivey's Career Management team, Ivey graduates have the highest employment rate (90%+) and the highest post-MBA salaries — consistently the highest of any Canadian business school.

Merit-Based Scholarships and Awards

All applicants to the Ivey MBA Program will be considered for merit-based awards and scholarships. Applicants must complete the "apply for awards" section of the online MBA admission application to be considered; there is no separate application for individual scholarship consideration.

 Both international and domestic candidates of exceptional quality are automatically reviewed for admission awards ranging from \$10,000 to half tuition. Candidates will be assessed on academic merit and leadership qualities demonstrated through education, activities, and/or work experience. Candidates who are selected to receive a scholarship or award will be notified at the time of the offer of admission.

External Scholarships

Students are encouraged to explore outside funding resources including: www.studentawards.com, www.iefa.org, and www.ScholarshipsCanada.com. In addition, the Ivey Financial Aid Office will make candidates aware of relevant external scholarship opportunities on an ongoing basis.

50%

Approximate number of MBA candidates who will receive a scholarship or award upon admission to lvey.

Provincial Loans

Canadian citizens and permanent residents studying in the lvey MBA Program are eligible for student government loans. Loans are repayable following graduation, but interest payments are covered by the government as long as the student is in the MBA program. Students do not need collateral or a co-signer and may apply to their province of residency. For more information, please visit **www.ivey.uwo.ca/mba/finances**

Assistance is based on financial need as established by the government and as determined by the Ministry. Educational costs and family contributions are taken into consideration.

Each candidate's financial situation and application profile is unique. We encourage you to contact us if you have any questions about options for financing your MBA or would like more information:

90%+

Employment rate of Ivey graduates (Ivey grads also have the highest post-MBA salaries — the highest of any Canadian business school.)

Preferred Banking Program

The Ivey MBA is an investment, requiring the majority of candidates to secure private financing.

Ivey has developed the MBA Loan Program in partnership with a number of Canadian banks to create competitive loan packages for Ivey MBA candidates. We encourage you to explore the various bank loan options available.

Ivey has loan packages in partnership with the following Canadian banks: BMO Bank of Montreal, Scotiabank, Royal Bank, and TD Canada Trust. Typically these programs are available to Canadian citizens and permanent residents, but every situation is different. We encourage you to compare the terms and fees of all student loan products to determine which best suits your needs.
