In partnership with Ivey’s Pierre Morrissette Institute for Entrepreneurship, we are pleased to offer the Entrepreneurship Fellowship. These fellowships were established to encourage incoming MBA students to pursue their entrepreneurship passions, and support them in their endeavors towards launching innovative new ventures. Recipients for the Entrepreneurship Fellowship will be decided in partnership with the Institute, following a phone interview with the Executive Director of the Pierre Morrissette Institute for Entrepreneurship.

Selected Fellows will be required to meet the following requirements during the program:

- Completion of the Ivey Certificate in Entrepreneurship;
- Completion of the New Venture Project; and,
- Involvement (preferably in a leadership role) with the Ivey Entrepreneurship Club.

Recipients of the Fellowship will receive access to exclusive support from the Pierre L. Morrissette Institute for Entrepreneurship, including:

- Privileged access to exclusive networking opportunities;
- Guaranteed enrolment in entrepreneurship elective courses;
- Opportunity to complete independent study electives with entrepreneurial faculty members; and,
- Privileged access to Graduate Student Innovation Scholars Program.

Selection criteria may include, but is not limited to:

- Applicants who have demonstrated a clear desire to pursue a career in entrepreneurship;
- Are currently or have previously launched their own start-up and/or experience with involvement in new ventures from inception/early stages;
- Demonstrated involvement in start-up community and/or significant achievements or interest in entrepreneurship and start-up space; and,
- Strong track record of success in academics, leadership and work experience.

“Ivey’s Entrepreneurship Fellowship award gave me lifelong access to a world of opportunities, enabling me to test, refine, and get my entrepreneurial ideas to market. With the rigor of Ivey’s education and the support of a network of accomplished entrepreneurs, I now have not just the resources but the confidence to pursue my next big venture.”

- Mateo Balmes, MBA ’23
