COURSES & STUDY LEVEL

4th year (HBA2) = 4000 Level Courses (0.5 Ivey Credits)

Exchange students can only take courses offered by Ivey and are not permitted to take courses in other departments at Western University. The students that are most successful in the Ivey HBA program are in their final year of an Undergraduate program or in their early years of a Master's level program at their home university.

New Course Offering for Exchange Students

BUS 4462 – DOING BUSINESS IN NORTH AMERICA

The course will explore how business is shaped by the economic, political/legal, socio-cultural, and technological contexts in Canada and the USA. Students will gain an understanding of distinct features of North American history, institutions, and culture relative to other regions of the world and their implications for entrepreneurship and management. In addition, we will analyze supra-national institutions, especially free trade agreements, that influence how businesses in North America interact with the rest of the world, and how businesses from Europe and Asia trade and invest in North America.

Course selection

Exchange students are recommended to take a minimum 4 courses. If students are looking to take the maximum amount of 5 courses, they will need a “letter of recommendation” from their home University sent to the Exchange Coordinator recommending they take the maximum 5 courses to fulfill their graduation requirements.

Course selection will be on a first come, first served basis. There are a certain number of seats that are reserved for exchange students in all of our electives but they will quickly fill up. We will have a waitlist for classes that are at capacity that will typically see a lot of movement during the add/drop period where students can also make changes to their schedule and possibly come off the waitlist into a preferred class. There is no guarantee on course availability. Access to the full course listing and academic schedule will be available prior to the registration.

Spring (Late Nominations) – Beginning of September

This selection period will be open to all Ivey HBA2 students so options may become limited. **There is no guarantee on course availability. Students should exercise flexibility with alternative courses.**
