

# LONDON EVENT VENUE GUIDE

On campus or off, find the perfect venue for your next event.

Hosting your event at Ivey's state-of-the-art building is free, and offers flexible space options for any activity – from large group presentations and networking sessions to small group connections and 1:1 coffee chats.

If you are planning a joint Ivey/Western Event or looking for an off-campus venue that allows you to customize the student experience, check out these alternate venue options.
